Protected Community Design RCD 001113450-0001

Sustainable packaging is your contribution to the environment

One material solution!

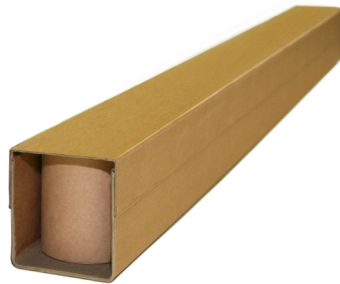

**Sizes:**

Width: 30x30 – 45x45 mm
Thickness: 3 – 4 mm
Length: according to your need

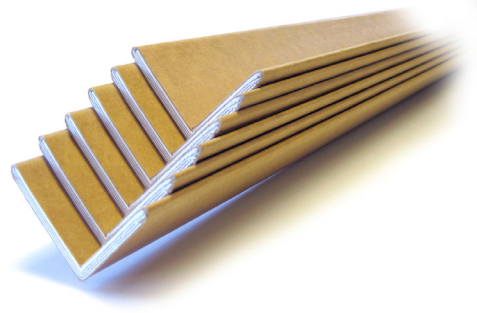

Suitable for light and heavy loads.

Display Profile is a strong laminated carton board product, which can be produced in different sizes and strengths according to each need.

Complete your single material Display with these Eltete products:

PallRun® is a perfect alternative as a substitute to a wooden pallet

Edgeboards can be used to enforce the structure of the Display.

Inverted Corrugated Board (ICB) is rigid and at the same time very light in weight. Available with different surfaces, printing options and sizes.

Eltete TPM Ltd (Transport Packaging Materials) is a global carton board converter and an ISO-certified supplier of 100% recyclable transport packaging materials. With our own engineering division we are able to react quickly to customer demands.
